Dear Mr. Kovalkov,

We wish to express our warmest thanks to you and all the members of your fund for the generous donation to our Monastery

We pray that the Most Holy Theotokos, the Mother of us all Portaitissa, protect you all and your families and that she give you strength. May you all have a spiritually fruitful Lent and Holy Week, so that you may celebrate the joyful resurrection of our Lord.

We hope to be able to offer you hospitality at our monastery again in the future.

With warm wishes and love in Christ

The Abbot of the Holy Monastery of Iviron
